

Buffalo
(30 j.)

“The buffalo stands and eats leaves, moving its head and tail”

Gazelle
(29 j.)

“The gazelle performs a head poke motion by bending its knees and thrusting its head and horns upward”

Dragon
(95 j.)

“The dragon flies while flapping its wings and looking around”

Spider
(68 j.)

“The spider stands in place, raising and lowering its front legs above its head”
